## MAYSVILLE NOT IN LIST OF TOWNS GETTING PHONE RAISE

Maysville Once Escapes Increase—Schedule of Charges For Business and Home Phones Given State Commission.

Frankfort, Ky., May 6.—The schedule of new telephone rates effective in this State May 1 was filed yesterday with the State Railroad Commission by the Cumberland Telephone and Telegraph Company and the Southern Bell System. The schedule will be submitted to the Commission when it meets May 7.

According to the schedule business rates in fifty-eight towns and cities were raised from \$2.75 to \$3 and residence rates from \$1.65 to \$2. Two party line rates in these cities were increased fifty cents. In forty towns and cities two party line rates were increased twenty-five cents.

Although the list of towns and cities in which rates will be increased includes most every village as well as town and city in the entire state, luckily Maysville is not included in the list.

Officials of the Maysville Telephone Company today said they had not been advised from their Louisville headquarters of any contemplated increase in phone rates for this city this year. The Maysville Telephone company was granted a considerable increase in telephone rates when the last franchise was granted that company.

## LOUISVILLE JUDGE IN LEWIS COUNTY CASE

Federal Judge For Western District of Kentucky Hears Lawyers to Set Time and Place For Trial of Lewis County Case.

Judge Walter Evans, of Louisville, Federal Judge for the Western district of the State of Kentucky, occupies the Federal Court room at Covington today to hear arguments by lawyers in the case of the C. & O. railway company vs. Lewis county in which the railroad company seeks an injunction against Sheriff George W. Lykins and County Clerk Orville P. Pollitt, of Lewis county to prevent them from collecting taxes from the railroad company on property owned by the company as right of way for seven and a half miles along the Vanceburg and Stouts Lane turnpike.

In the hearing today Judge Evans will be asked to set the time and place for hearing the case which will probably prove one of the most important cases tried in the State of Kentucky in recent years.

Attorney A. D. Cole, of this city, is assisting County Attorney Strother, of Lewis county, in representing the county while Worthington, Cochran, Browning & Reed represent the railroad company.

Get those fine lots on East Second street at 3 p. m. May 8.

Don't fail to see "Fanny and the Servant Problem" Friday night in the High School Auditorium.

Mr. Investor: Meet me at 123 and 125 Market street 10 a. m. Thursday, May 8. H. C. Hawkins.

## HARRIS QUIETLY TAKEN TO DEATH CHAMBER AT PEN

Maysville Negro Who Threatened That He Would Never Leave Maysville Alive Is Taken By Surprise By Officers and Removed to Death Cell.

Sheriff Galbreath, Chief of Police Harry A. Ort and Jailer Watson early this morning left Maysville having in charge Lewis Harris, condemned to die in the electric chair at Eddyville, for the state penitentiary at that place to turn him over to the state authorities that he may pay his penalty for one of the most cruel murders in the history of Mason county.

Although officials and newspaper reporters knew that Harris would be removed to Eddyville this morning the matter was kept perfectly secret not for fear of a mob for there never has been any indication of mob formation in the entire case but that the matter might be kept absolutely secret from Harris and that he might be taken by surprise.

Several times since he has been refused a new trial by the Court of Appeals and since his day of execution has been fixed by Governor Stanley, Harris has threatened to do harm to himself and to others when he would be moved to the State Penitentiary. It was therefore absolutely necessary that the word would not get to him that he was to be moved this morning. Only a few days ago Harris told Jailer Watson that he would never leave the Mason county jail alive and that he would cause the officers some trouble when they came for him if only that he might draw some of their bullets to take his life before he was sent to the electric chair.

The Sheriff, Jailer and Chief of Police came in upon Harris very unexpectedly this morning. They took him by complete surprise before he had any time whatever to do violence to himself or to anyone else and he was carefully secured so that he would give them no trouble in the removal. The officers and their prisoner left this morning over the C. & O. for Newport where they took the L. & N. for Louisville and then on to Eddyville. They had absolutely no trouble because the matter was handled so very carefully and because Harris was taken unaware.

The prisoner will be placed in the death cell at Eddyville and there confined until the sixth day of June when just before daybreak he will be taken to the electric chair and his life taken to satisfy the law.

The officials at Eddyville will be advised of Harris' threats that he would never die in the chair and he will there be given no opportunity to do himself harm so as to rob the law.

H. C. Hawkins will SELL Roser property Thursday, May 8.

## ASSESSOR FINISHING HIS WORK

City Assessor Harney is now finishing up tabulating his assessment for the use of the City Board of Equalization. Mr. Harney has completed his assessment but there is considerable work attached to tabulating the entire city's assessment in the Assessor's book, however the work will be completed for the Board of Supervisors.

You will get good value for your money at Roser Auction, May 8.

## CROP OUTLOOK FAVORABLE

Frankfort, Ky., May 6.—The outlook for the fruit crop in Kentucky for this year is favorable. According to the May crop report, which will be issued today by the Department of Agriculture, the wheat crop suffered very little from recent frosts.

You will be sorry if you don't BUY some of Roser property.

## MAGISTRATE'S COURT

## COUNTY NEARING QUOTA ON VICTORY BOND SALE

Secretary W. W. Ball, Jr., of the Mason County Victory Loan committee this afternoon announced that the total sale of bonds in Mason county to date was \$522,650, which is getting very near the county's quota of \$550,000. The City of Maysville's sales to date are \$193,500 and its quota is \$200,000 which means the city will reach its goal by tomorrow.

## PROF. MAXEY AGAIN HEADS BROOKSVILLE SCHOOLS

Prof. Maxey, of this city, has been re-elected principal of the Brooksville High School for another year. Prof. Maxey has given complete satisfaction to the Bracken county patrons and is highly regarded at the Bracken county capital as a first class educator.

## PARIS COUNCILMAN BOOSTING PAVED STREETS VISITS HERE

Chairman of Paris' City Internal Improvement Committee and Newspaper Man Inspects Maysville's Paved Streets.

Mr. John Merringer, chairman of the Internal Improvement Committee of the Paris, Ky., City Council and Mr. R. F. Porter, Paris newspaper man, came to Maysville today to inspect Maysville's paved street and were the guests of Mayor Thomas M. Russell and Chairman William Watkins, of the Internal Improvement Committee.

These gentlemen were shown about the city and were very pleased with our paved streets in all sections.

Mr. Merringer is boosting a movement in the Paris Council to pave the main streets of his city with brick and from his conference with the local officials he learned that all of our people were more than pleased with brick streets.

Both of the gentlemen had a very pleasant day in Maysville and left this afternoon of the firm conviction that Paris should have brick streets in the immediate future.

## GOVERNMENT AGENT INSTALLS EMPLOYMENT SERVICE

Department of Labor's Agent For This District Spends Day in Maysville Getting Local Office in Running Order.

Maysville now has a real branch office of the United States Department of Labor's Employment Service. Mr. George C. Stahel, of Covington, agent for the department in this territory has been spending the day here with Mr. Carl Dodds, who has been appointed local agent for the department.

He explained fully to Mr. Dodds the workings of the office and the filling out of the various blanks necessary to the operation of the service and the local office is now ready for service for the returned soldiers.

Any returned service man who desires employment should get into communication with Mr. Dodds at the Chamber of Commerce immediately and list his wants and those employers who will give employment to returned soldiers or sailors should also list their needs with the local office at once.

## USED MOTHER'S PENSION FOR HONEYMOON TRIP

Reports Current to the Effect That East End Man Cashed Aged Mother's Pension Check and Ran Off With Woman of His Choice.

There was considerable excitement in the East end of the city Monday evening when it was reported that a well known man living in that section had left the city and with him had gone a young woman upon whom he had been calling recently. It was later reported that the man had come down town Monday morning with his aged mother's pension check for seventy-five dollars to cash for her. Instead of returning the money to his mother, the man is said to have eloped with his lady love to Cincinnati.

When, after a reasonable time the man did not return with the money it is understood the mother sent her other son on the search of the money and her lost boy. This second son soon learned at the local C. & O. station that his brother had purchased a ticket for Cincinnati for himself and one for a young lady who was with him.

The man is expected to return with his bride and received his mother's forgiveness and blessings.

## SOLDIER IS TAKEN UP ON COLD CHECK CHARGE BY OFFICERS

Young Man Who a Year Ago Passed Bad Check on Local Firm Returns and Attempts to "Put Another Over" But Is Arrested by Police—Must Make Good.

On March 8, 1918, J. C. Everett & Company, local merchants, cashed a check for twenty-five dollars for a young man who gave his name as Es-till Sanderson, of Bethel, Ky. Shortly after the local firm cashed the check young Sanderson volunteered in the army at the local recruiting station and in a few days the check was returned to the local firm marked "No Funds."

This morning Sanderson walked in to the office of the local firm and presented another check. This time the paper was for \$59.00 and immediately the young man was recognized. The police were notified and Acting Chief William Toile placed Sanderson under arrest. A warrant was procured charging the young man with uttering worthless checks under the state's new cold check law and he was taken in charge under the warrant.

Under the provisions of the law the young man has twenty days in which to make the twenty-five dollar check good. He has communicated with his folks at Bethel asking immediate assistance and he will be released by the local authorities if the check and all court costs are paid within the twenty day period.

Sanderson has been located at Camp Travis, Texas, during the war and was recently discharged from the service. He says he did not know that the first check given the local firm was dishonored.

## OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

## BURLESON AGAIN

Postmaster General Burleson was quick to see the disadvantage entailed by the refusal of his department to transmit by telegraph certain strictures of the New York World upon his administration. He immediately issued instructions to lift "the rules prohibiting transmission of messages containing libelous matter, so far as messages referring to the Postmaster General are concerned."

But the deed had been done and the tyrannical possibilities of Government ownership and operation of telegraph lines had been revealed. The New York World is an influential newspaper of great financial resources. It can hit hard in a fight. Therefore Mr. Burleson condescends to let it use the telegraph in its criticism of his administration. But what if Mr. Burleson's critic had been one less wealthy, less influential, some obscure newspaper or periodical of greater indignation than power? Would Mr. Burleson have been so quick in condescension? Or, if Mr. Burleson were more deeply entrenched in power and the question of Government ownership and operation of the telegraphs had been settled, would even the New York World have been permitted to transmit its argumentative matter, termed libelous by Mr. Burleson?

Knowing Mr. Burleson's record as a petty politician turned imperial autocrat, we are inclined to the view that it is only the fact that Government ownership is a present political issue which prevents him from quietly sitting on the New York World's case, finding that newspaper guilty, and using the heavy hand of the entire postal department to visit vengeance upon its head. Under the system he has temporarily achieved and seeks to make permanent, Mr. Burleson has the power to dry up the waters of publicity.—Cincinnati Times-Star.

## IT SOMEWHAT DEPENDS

The Christian Science Monitor is impressed that "it might fairly be argued that the discontinuance of fences is a pleasant symbol of friendly and neighborhood relations, and that the league of nations is, after all, simply a movement to obviate the suspicious necessity of each nation surrounding itself with a fence."

Perhaps, and then again perhaps not. While John Jones might think of it as a contribution to a greater neighborliness to remove the fence that distinguished the domain of the John Joneses from that of the Frank Smiths, living next door, it is conceivable that he might hesitate about removing the fence, if, in doing so, he at the same time relinquished to Frank Smith, a vote on how Mrs. Jones should cook the breakfast bacon and eggs, or let neighbor Smith's hungry cows and chickens into the Jones vegetable garden.

Francis Burton Harrison is an exception—not to say a freak. He recommends the abolition of his own job of Governor General of the Philippines. And it pays \$12,000 a year, too.—Chattanooga News.

## SHAW ASSAILS FREE TRADE

Washington. — "Protect your own country and let the rest take care of themselves, because they will do it anyway," is the homely advice given by former Secretary of the Treasury, Leslie M. Shaw, in a statement in which he attacks the league of nations covenant because it provides for the removal of economic barriers.

"Who is credulous enough to believe," he says, "that the proposed constitution, which admittedly does not unite but at best only confederates will prove more effective as a peace preserver than the Constitution of the United States, which Gladstone declared the greatest chart of freedom that ever fell from the pen of man at one time? The league is anything but a union, and yet it proposes ultimately to gather within its jurisdiction all the nations of the earth. Economic rivalries, which President Wilson says have been the prime causes of war and which he asserts must be prevented in binding terms, else peace would be both insecure and insecure, are eliminated as far as possible between the states of this proposed union. But if Mr. Wilson's avowed intention to affect international free trade is not definitely squelched and prohibited, the American people will surrender their industrial and economic independence."

## IT'S SURPRISING

That So Many Maysville People Fail  
To Recognize Kidney Weakness.

Are you a bad back victim?  
Suffer twinges, headaches, dizzy spells?  
Go to bed tired—get up tired?  
It's surprising how few suspect the kidneys.

It's surprising how few know what to do.  
Kidney trouble needs kidney treatment.

Doan's Kidney Pills are for the kidneys only.

Have convinced Maysville people of their merit.

Here's a Maysville case; Maysville testimony.

Kidney sufferers hereabouts should read it.

Miss Dora Edgington, Wood St., says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times my kidneys have become weak and have been irregular in action. My back has ached, too, and has been very weak and lame across my kidneys. When I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chanslor's Drug Store, if troubled in that way."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Edgington had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

## Points in the Moline's Favor

There are many points in the MOLINE'S favor when the question of what Farm Tractor to buy comes up. To put them all in print would make a long, long story—but to make a long story short—

POINT 1—The MOLINE is the ONLY tractor with electric lights and self-starter. You don't have to quit important plowing or other work just because the sun goes down. Just turn on the lights and keep right on. The MOLINE will work 24 hours a day for you. Never mind the weather. If it rains on Monday, you can do 2 days' work on Tuesday to make up for it.

POINT 2—The MOLINE is the ONLY tractor that cultivates the seed in the soil.

POINT 3—The MOLINE is the ONLY tractor that reverses and goes around a stump or rock. You drive the MOLINE same as an automobile. Drive backward as well as forward.

POINT 4—The MOLINE is the ONLY tractor that cultivates two rows at a time.

POINT 5—The MOLINE is the ONLY tractor that can be turned around in a 16-foot circle and can be put in a small-sized shed.

POINT 6—The MOLINE is the ONLY tractor that has a device to lock the differential and give perfect traction in soft ground.

POINT 7—The MOLINE is the ONLY tractor that will start and finish a field without a horse.

There are SEVEN points—"one for every day in the week." For more "points" or a demonstration, phone, see or write

all this suffering to learn the lesson that thrift and labor must go hand in hand with democracy."

Bury Them Deep

Buzzards or dogs will soon dispose of a dead hog at this season of the year; but they will carry infection to all portions of the surrounding country. A dead hog is dangerous to all the other hogs on the same farm and to every hog in the State.

The College of Agriculture at Lexington recommends that all dead animals should be thoroughly burned or buried deep. As burning a body until only the ashes remain is a difficult matter, burying is much simpler. However, the farmer should remember that a shallow covering of earth will not keep dogs from the dead body. At least 5 feet of earth should cover the dead animal after a liberal supply of quicklime has been sprinkled over the carcass.

WITH HIM FOR LIFE

For most of us the war is over. Has been over since the signing of the armistice last November. And we are trying to forget all about it; to get back to the normal conditions of life. Trying to wipe out the prejudices it engendered.

Some of us were hit pretty hard by its obligations, its burdens. Some of us suffered little, if at all. And some others of us, quite a number in fact, profited by the conditions it precipitated. But for us it's ended now.

Fast being buried by the yesterdays; passing out of our lives.

But there are thousands of soldiers scattered through the land for whom this war will not end for years to come.

Many with whom it will last for life. Pity is but a passing emotion and gratitude is shortlived.

Uncle Sam wants to relieve this condition to the utmost. Means to do it at whatever cost. Plans to rehabilitate every man who suffered physical wreckage to uttermost degree that human skill may accomplish it. To train these stricken heroes in new vocations that will make them as nearly independent as possible.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give you a Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All druggists, 75c. F. J. CHENEY & CO., Toledo, O.

REGULAR CHURCH

WORK RESUMED

The women of the First M. E. Church, South, have finished their quota of Red Cross sewing and will resume regular work of the church societies this week. The Mite Society and Mission Study Class will meet at 2:30 Wednesday afternoon. Mrs. Moody will conduct the lesson, 5th chapter of Fordick's "Meaning of Prayer," subject: "Hindrances and Difficulties." These half hour weekly studies are not restricted to members of the Mission Study Classes. Every member of the Missionary Society should attend and only women of the church will be cordially welcomed.

At the meeting last week the following resolution was framed:

Since our choir has done very effective work the past few months we wish to express hearty appreciation of the service of both leader and members; especially of the beautiful Easter music and the assistance of Mr. Straus and Mr. and Mrs. Dodds. Voluntary and offertory rendered by Mr. Straus and Mrs. Burwell and anthems, "Christ Our Passover," "Christ Triumphant" and "As It Began to Dawn," with solo parts by Mr. and Mrs. Dodds and Mr. Herman Calvert furnished an Easter program of a completeness and finish to be attained only by the faithful studious effort of each individual choir member, coupled with such masterly, musical directorship as Mrs. Burwell commands.

LOUISE BEST, President  
Woman's Missionary Society.  
MRS. MARY D. QUAINANCE,  
President of Mite Society.

## WONDERFUL PICTURE SHOWN AT PASTIME DURING THIS WEEK

"The Heart of Humanity", One of the Greatest Pictures Released in Recent Years Opens Engagement Here Today.

The noble sacrifice of a little wife who left the picturesque beauty and quiet of a home among friends in a little community in the Canadian Northwest to minister to the wants of homeless and orphaned children during the days when the flaming torch of Prussian ruthlessness was being carried by war-maddened hordes over the once-beautiful valleys and hills of France and Belgium, is the dominating theme of "The Heart of Humanity," the eight-reel production by Allen Holubar in which Dorothy Phillips scores the most distinctive triumph of her screen career.

This feature will be presented at the Pastime theater today and tomorrow, with a supporting cast of more than ordinary excellence, including such favorites as William Stowell, Robert Anderson, Margaret Mann, Pat D'Malley, Walt Whitman, George Hackathorn, Gloria Joy, and others. The story of the play is by Allen Holubar and Olga Scholl and was adapted for the screen by Mr. Holu-

bar.

Nanette, ward of Father Michael, the parish priest, and wife of John Patricia, oldest and handsomest of five sons of the Widow Patricia, in the Canadian Expeditionary Forces, is so moved by John's descriptions of the misery and suffering he has found among the children of France and Belgium, that she decides to go abroad as a Red Cross nurse. She leaves her own baby at home and enlists.

In a convent in Flanders that has been converted into a refuge for orphaned and homeless children, the little wife works night and day to allay their sufferings and bring cheer into their hearts.

While engaged in this work she is captured by the Germans and brought before Eric von Strange, a Prussian officer who had once been her husband's college friend and who had tried to make love to her in the little Canadian village. Strang's old desire for her returns and he tries to force his attentions upon her. There is a terrific fight.

She escapes to another room and plunges a knife into her bosom just as John, her husband, rushes into the room. She recovers, however, and weeks later, in a hospital, she is decorated by the French government for valorous service with the Red Cross and is persuaded to go home. Later there is a happy reunion in Canada—a reunion which crowns with complete happiness the work of Nanette.

COUNTY AGENT'S CORNER

Prices Are Huge

The following editorial taken from a late issue of Hoard's Dairyman, is well worth careful reading by every thoughtful farmer in America:

"The U. S. Minister to Sweden reports that during January the people of Moscow, Russia, were paying \$1.58 a pound for black bread as against one and a half cents in 1914. Butter sells for \$11.29 a pound as against 23 cents in 1914; milk for \$1.14 per pint as against 7 1/2 cents; cheese for \$8.48 a pound against nine cents; sugar for \$6.77 a pound as against five cents; and so with many other commodities.

"We anticipate that prices are a reflection of the scarcity of food, and that even money in quantities can not buy all it wants. Salad oil is quoted at \$335 a pound and tea at \$14.67. There is a choice between dog flesh at 73 cents a pound and horse flesh at \$1.69 a pound, while other meats cost \$2.82 a pound.

"Disorganization, anarchy, and Bolshevism are costing the Russian people untold suffering, and hunger stalks at every door, while politicians rant. Would that it were possible for us to carry our milk and cheese and butter to these ignorant folks who have been so sadly led astray. It is sad to think that a whole nation must go through

## COUNCILMEN LAY WATER DEAL ON TABLE MONDAY

City Tax Supervisors Elected by City Council—New Gas and Electricity Contract To Be Made—Other Business Transacted.

The regular monthly meeting of City Council was held last night with all members present and Mayor Russell presiding.

Mayor Russell reported that he had collected for licenses during the month of April a total of \$80.45.

The report of the City Treasurer shows an overdraft of \$294.30 in the general fund.

Chief Ort's report shows that during the month \$105.80 was collected in fines and costs and that \$24.00 has been worked out while \$85.90 in fines and costs is now being worked out.

Chief Ruliff Newell reports no alarms of fire during the month.

Wharfmaster reported a total of \$50 collected for wharfage during the month of April.

The Claims and Accounts Committee's report shows expenditures as follows:

Alms and Almshouse.....	\$ 194.19
Public Library .....	25.00
Mission Home .....	25.00
Mason County Health League .....	25.00
Colored Mission .....	12.50
Gas and Electricity .....	\$61.97
Chamber of Commerce .....	40.00
Boarding and Guarding City Prisoners .....	159.95

Police .....	581.80
Fire Department .....	471.36
Internal Improvement .....	441.01
Pensions .....	42.00
Total .....	\$3,119.99

The following building permits were granted:

P. C. Henderson—Metal garage on Williams street, Sixth Ward.  
William Kennan—Metal garage on Wood street, Sixth Ward.  
Maysville Ice and Cold Storage Co.—Brick cold storage building, to replace present frame building and frame addition to barn on Union street, Fifth Ward.  
J. F. Barbour—Metal Garage on Third street, First Ward.  
Charles Mitchell—Stairway on northwest corner Wall and Front

streets, Second Ward.  
Charles Conrad—Bungalow on East Second street, Sixth Ward.  
Petition from T. L. Paul for near beer license was read and the license was granted by Council.

Chairman Greenlee reported that the Fire Committee had awarded contract to Keith & Keith Motor Car Co. for new tires for City Fire Fighting Machine. The report was received and ordered concurred in by council.

On motion Mr. Ben T. Smith was allowed \$10 per year for caring for the city's fire hose cart on Sixth street.

The special committee on paying Forest avenue was granted further time. The chairman reported progress.

A communication from the Maysville Gas Co. in regard to the contract with the city for gas and electric lighting was read. The company stated that the contract with the city had expired finally on May 29, 1919, and that there was no contract now with the city. On motion the matter was referred to the Gas and Electricity Committee and the City Attorney who will confer with the Gas Company on a new contract.

A communication from Manager J. B. Russell of the Maysville Boys' Band requesting that the city erect a band stand on Market street was read. The matter was ordered placed in the hands of the Public Buildings Committee with power to act in building the stand.

The proposition of the Maysville Water Company for the sale of their system to the city previously published in the Public Ledger was read to Council. Immediately it was moved and seconded to lay the matter on the table but this motion was withdrawn and City Attorney Daly addressed council explaining the city's rights under the contract with the Water Company. A motion was made to refer the matter back to the Ways and Means Committee to bring in a recommendation but this motion was lost by a vote of 9 to 3. A motion was then made to table the matter and the vote resulted in a tie. Mayor Russell voted to table the matter.

Councilman Reed presented a communication from the Mason County Woman's Club and one from the Mason County Health League asking that the United States Public Health Service's recommendation in regard to caring for the unsewered sections of the city be adopted. Both communications were received and referred to the Laws and Ordinance Committee for recommendations.

On motion the license fee for the Barkoot Carnival Company which was given for the benefit of the Lexington Odd Fellows' Home, was refunded. Four thousand dollars in Emergency bonds were authorized issued to pay the current expenses of the city.

Messrs. J. H. Bryant, A. F. Curran and John B. Furlong were elected City Tax Supervisors for the year. They will meet on the Thursday after the second Monday in the month to begin their labors.

There being no other business council adjourned.

### LOCAL RECRUITING OFFICE CLOSED

The local army recruiting office was closed this afternoon and Corporal Stevenson, who has been in charge, left for headquarters at Cincinnati. He expects the local office to be reopened in the near future.

The Women's Foreign Missionary Society of the Third Street M. E. Church will meet this evening with Mrs. J. H. Richardson in East Second street.

## STRONG ADDRESS HEARD BY BUSINESS MEN MONDAY NIGHT

Representative of the United States Chamber of Commerce Gives Local Business Men Many Pointers.

There was quite a large body of representative Maysville business men and members of the Chamber of Commerce who turned out Monday night to hear Mr. Colvin B. Brown of the Chamber of Commerce of the United States, speak on "Why a Community Should Support Its Chamber of Commerce."

Just before the address, a most enjoyable concert was rendered by the Boys' Band. Many citizens who had not yet heard the Boys' Band and were highly pleased with the results that have been obtained under the efficient leadership of Prof. J. W. Young.

President Cochran, of the Maysville Chamber of Commerce took charge of the meeting and expressed the citizens' appreciation of the efforts being put forth by the boys of the band, their parents and the band committee and assured them that it would not be long before they would have the deserved uniforms.

Mr. Cochran then informed the members that the local Chamber of Commerce holds membership in the Chamber of Commerce of the U. S. of America which is considered the parent of the commercial organizations of the United States and it was through this connection that we were fortunate in having their representative, Mr. Brown, visit our city and meet with our men. He then introduced Mr. Brown who expressed his appreciation of the fine reception and entertainment that had been accorded him during his visit in our city and assured the members that he would hereafter sound the praises of Mason county's hospitality.

Mr. Brown began his address by stating the purposes and functions of the Chamber of Commerce. He called to the minds of the members the fact that a good citizen was not only one that exercised his duties toward his family and neighbor but rendered a particular service to the community that furnishes protection and conveniences for him and his family. He then demonstrated the need of an organized effort of the good citizens of the community to uphold that which had been gained and strive for a greater development.

Many features necessary to the operation of a successful Chamber of Commerce were discussed, such as program of work which he divided into three particular departments, namely, Industries, Commerce and Clives; Community house and its advantages to the development of commercial trade; co-operative marketing as a connecting link between the city and urban man and the use of the department at Washington by the citizens of the United States.

He dwelt quite at length upon transportation as one of the important elements in the growth of the nation and stated that in speaking of transportation he did not only refer to the rail and water method we so often think of in referring to transportation. His conception of one of the problems in transportation was the removal of obstructions to the free flow of traffic and the primary problem for solution was the development of our national highways. In speaking of national highways he stated that he did not mean the one that ran from coast to coast but the one connecting the home of the country man with the city.

Foreign trade was briefly treated and the speaker gave the members a broader conception of the part which America will play in the development of its international trade area. The retail merchants were urged to participate in every move inaugurated by the Chamber of Commerce, such as Dollar Days, Style Week, Trade Trips and Special Events, to stimulate retail trade.

In conclusion Mr. Brown urged upon the members to strive for a greater Maysville. In this connection he urged that the men inaugurate a systematic plan of growth for the city of Maysville looking ahead some 40 or 50 years.

A rising vote of thanks was tendered Mr. Brown at the conclusion of the address for his kindness, in bringing to the members of the organization so forceful a message and extended him an invitation to visit Maysville should he be in this city again.

## S. S. ATTENDANCE MORE THAN LAST YEAR

Sunday School Attendance Secretary Explains That City Schools Beat Record This Year.

The following communication has been received from the Sunday School Attendance Secretary.

Will you kindly permit the Sunday School Attendance Secretary a word of explanation relative to the apparent decrease in the attendance Sunday from that of one year ago. There was no decrease. Instead there was a nice increase. Here is the explanation: Last year the Hillsdale school was included in the city total which made it 3022. Now add the Hillsdale attendance of 240 to the city attendance this year and you have 3186, 164 more than last year. The reason for placing the Hillsdale school with the county schools is that in the county organization this school is included in the Dover district. We are glad to make this explanation so as to show that Sunday was the greatest Sunday School day Maysville and Mason county ever had. If we had had the time and had known just how to reach the few remaining county schools that didn't report I am satisfied the grand total would have been fully five thousand. As it is our intention, the newspapers permitting to continue the publishing of the attendance, we would be glad to get in touch right away with every school in the county. Remember our phone 217.

THE ATTENDANCE SECRETARY.

### WILL ERECT FIRST CLASS BAND STAND

The Public Buildings Committee of which Councilman Ross Owens is chairman, will begin in the immediate future to build a first class band stand for the use of the Maysville Boys' Band on Market street. It is probable that they will build a wagon stand similar to the wagons used by carnival companies that can be folded down and made into a beautiful stand but which may be folded together and moved to any place in the city.

### TWO MORE MAYSVILLE BOYS ON THIS SIDE

Relatives here have been advised by wire that James F. Gilbert and Everett Florence, two Maysville boys who have seen much service in Europe during the world war have arrived safely in this country. These two were among the first Maysville men to enter the service when war was declared and they were with the First Division in their many conflicts during the war.
